

## **Listing your Property on the Alaska Smoke-free Housing Website**

The health of your residents is important. Healthy residents are happy residents. Let us help you find the perfect smokefree tenant. At [smokefreehousingak.org](http://smokefreehousingak.org) we will list your property for free! All you need to do is have a comprehensive smokefree policy.

- We actively market our website to Alaskans looking for smokefree multi-unit housing.
- We will add your property to Alaska's only searchable smokefree multi-unit database.
- We will post pictures of your property, list amenities, local attractions and conveniences, as well as any other information you want added.

If you do not have a comprehensive smokefree policy already in place, we will be happy to help you develop one!
